Introducing Target's **NEW** Website:

We Print More than Just Legal Forms

Visit www.printcarta.com for all of your printing needs.

We call it "PrintCarta" and it is designed to be a great alternative to phoning or faxing your orders for forms and other printing.

We think you will find it a very useful site. Register and sign in and it will keep a history of your purchases so that you can easily refer back to see what you ordered last time. There is no more guessing about what you previously ordered.

It also will keep you current on the many changes to Michigan's legal forms and what can and can't be used. Our well liked revision index will always have the latest information on line for your review.

There is already a lot available on this site and more to come, from court forms, to stationery and business cards, to tickets, juror's questionnaires, to incredibly low prices on blank paper supplies. Most importantly it is from the company that you have known and trusted these many years: Target Information Management. Of course for some custom printed items you will still need to call or fax us but you can get an idea of what you want online. As our site evolves and improves we hope it can become a one stop site for all your printing needs.

Target Information Management online = Printcarta.com
Printcarta.com = Target Information Management online.

We are one and the same and are dedicated to serving you, our most important customer, so please visit us at printcarta.com and take a look around. We think you will be happy with what you see.

Call us at 1-800-258-0258 if you have any questions or suggestions for improvements in our site.

LASER PRINTER PAPER

We now offer 8 1/2" x 11" self-imaging paper for use in laser printers and copiers. This is coated front and back or what is called CFB so that the back side of each sheet will image onto the face of the next sheet.

We can get a number of different brands of CFB paper if for any reason you have a specific preference but we stock the Excel-One brand at a great price. It runs reliably and is guaranteed to run in laser or inkjet printers.

CFB paper is sold in reams of 500 sheets or in cartons of 10 reams. **Prices are per thousand (m) sheets.** Prices on paper are volatile but prices as of the date of this catalog are as follows (below):

Order As:	Description	Partial Carton	Full Cartons
CFB-E.....	Excel-One CFB paper.....	\$44/m	\$39.40/m

8 1/2" x 11" Snap Carbonless or Carbon Forms

Prices are the same for self imaging carbonless forms or for carbon forms. Most forms are carbonless but the most popular forms are available both ways.

Save Time & Money

Have frequently used forms custom printed with the information you always type on the form.
(court address & phone, your name & address, etc.)

Imprinting and preprinting prices below are IN ADDITION to the base price of the forms (shown at top left).

Custom Imprinting

(No minimum - Different forms cannot be combined)

(Delivered quantity may vary by a few forms from amount ordered. When quantity varies, the imprinting charge is unchanged but the base price of the forms is prorated accordingly.)

This is "crash" imprinting, with black ink on the top and a carbon image crashed through all remaining copies. Not recommended for 5, 6, or 7 part forms. Prices are for 3 lines of type. Add \$3.00 per each extra line of type.

Custom Preprinting

(Minimum 500 of any one form)

(Delivered quantity may vary + or - 10 percent from amount ordered, but price of the base forms and the preprinting charges are prorated accordingly.)

This is true offset printing of each copy on the original press run with black ink on all copies. While in some cases this is more expensive than "crash" imprinting, it is better for 4 and more part forms, looks more professional on all copies, and is less expensive with large quantities. Note also that any number of lines can be preprinted. There is no added charge for extra lines of type. Prices include 2 plates. Extra plates, for an additional \$10.00 each, are required for forms with multiple faces or backers (including: MC12, MC13, MC14, MC52, DC 84, DC104, MC200, DC225, MC229, MC240, and many forms with instruction pages).
